

How to Allow Pop-Ups for StatCrunch

Chrome Users: Open Chrome - Select the Three Dots (Options Button)

Select **Settings**

at top right, type in the search bar of settings, **Cookies**, you'll see two buttons appear, one saying **Content Settings**, select that, then scroll down to **Pop Ups**, then select the **Allow All Pop Ups** option **DONE**

Safari Users: At top of menu bar, select

Safari > Preferences > Security Tab > Deselect Block Pop Ups
